Associate: _____	
Scanned into PP record: _____	
Form reviewed by staff: _____	

What type of animal will you be adopting? _____

Describe your experience with this type of pet: Very experienced Somewhat experienced Little/No experience

Are there any other pets/animals that your new pet will be living with, or will have frequent exposure to?

Are there any children living in the household, or who visit frequently? If so, what are their ages?

What qualities/energy level are you looking for in your companion animal?

Do you rent/own your home? How would you describe your lifestyle and the type of energy/environment in your home?

How many hours per day will your pet be left alone? What are your plans for the pet when you're not at home?

What type of exercise will you provide your new pet?

What is your plan if behavior issues pop up, or if otherwise things don't work out with your new pet?

AWS may contact me via email about programs and services that may be of interest to me.
